APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 10 acre cubic feet per second annum.

Actual construction work shall begin on or before September 8, 1919.

Proof of commencement of work shall be filed before October 8, 1919.

Work must be prosecuted with reasonable diligence and be completed on or before December 8, 1919.

Proof of completion of work shall be filed before January 8, 1920.

Application of water to beneficial use shall be made on or before July 8, 1920. Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 8, 1920.

Proof of labor filed AUG 20 1919

WITNESS MY HAND AND SEAL this 8th day

Proof of completion of work filed NOV 28 1919 of July, 1919.

Cancelled Jan. 2, 1926 because of failure of applicant to comply with provisions of permit.

Robert A. Allen State Engineer.

J. L. Sangham
State Engineer.
